Get up to **\$3,000** in rebates!

# Energy Upgrade California® Home Upgrade

Supported through statewide energy efficiency funds, Energy Upgrade California® Home Upgrade rebates and incentives can help you take the next step to increase comfort and create a healthy home.

Improve comfort and indoor air quality year-round

Increase your home's energy efficiency

Earn rebates and incentives up to \$3,000

Invest in your home and increase its value

## What resources are available?

Home Upgrade includes two levels of rebates and incentives.

- **Home Upgrade** offers up to \$3,000 in rebates and incentives for pursuing three or more energy efficiency upgrades from a menu of options. See next page for more information.
- **Advanced Home Upgrade** offers rebates and incentives for pursuing a comprehensive, customized energy efficiency upgrade. Contact your utility provider for more information.

Southern California Regional Energy Network (SoCalREN) also offers low-interest financing for rebate participants. Learn more at [tenres.com/homeupgrade](https://www.tenres.com/homeupgrade).

## Who can participate?

Rebates are available statewide, but vary based on the local utility provider. This brochure applies to homeowners of single-family detached homes in Los Angeles County who are customers of both Southern California Edison (SCE) and Southern California Gas Company® (SoCalGas).

Single-family detached home

Customers of both SCE **and** SoCalGas

Located in Los Angeles County

# Calculate Your Home Upgrade Rebate

Choose any three (or more) measures to get started.

<b>Whole Building Air Sealing</b> Reduce leaks by $\geq 15\%$ , then \$250; if $\geq 30\%$ , then \$450	<b>\$250   \$450</b>	
<b>Attic Insulation &amp; Plane Sealing</b> Insulate to $\geq R-38$ , then \$550; if $\geq R-44$ , then \$650	<b>\$550   \$650</b>	
<b>Duct Sealing</b> Seal to $\leq 10\%$ , then \$250; if $\leq 6\%$ , then \$650	<b>\$250   \$650</b>	
<b>Bonus</b>	If two of the above measures are chosen, add <b>\$150</b> If three of the above measures are chosen, add <b>\$350</b>	
<b>Duct Insulation</b> Insulate to $\geq R-8$	<b>\$400</b>	
<b>Central Air Conditioner</b> Replace unit with $\geq 15$ SEER	<b>\$750</b>	
<b>Central Furnace</b> Replace unit with $\geq 92\%$ AFUE, then \$600; if $\geq 95\%$ AFUE, then \$700	<b>\$600   \$700</b>	
<b>Wall Furnace</b> Natural gas gravity wall furnace replacement $\geq 70\%$ AFUE	<b>\$400</b>	
<b>Windows</b> U-Factor $\leq 0.30$ and SHGC $\leq 0.25$	<b>\$700</b>	
<b>Wall Insulation</b> Insulate $\geq R-13$ for 2x4 frame; insulate $\geq R-19$ for 2x6 frame	<b>\$500</b>	
<b>Floor Insulation</b> Insulate to $\geq R-19$	<b>\$550</b>	
<b>Gas Storage Water Heater</b> Storage unit EF $\geq 0.67$ , then \$350; if EF $\geq 0.70$ , then \$450	<b>\$350   \$450</b>	
<b>Gas Tankless Water Heater</b> Tankless unit EF $\geq 0.82$	<b>\$900</b>	
<b>Electric Water Heater</b> Replace unit with EF $\geq 2.00$	<b>\$400</b>	

**Add up your rebate!**

(Maximum of 50% of total project cost, up to \$3,000)

## Additional Requirements

All work must be performed by a Home Upgrade Participating Contractor. Additional details and restrictions apply.

- A carbon monoxide detector must be present or installed on each floor.
- Testing must be performed after work is completed to ensure quality and occupant safety.
- The home must have a minimum of 10% energy savings or measure rebate value of \$2,000 or greater.
- Rebate and incentive amount can be a maximum of 50% of the total project cost, up to a \$3,000 cap.
- Projects that include central air conditioning or a heat pump, or their related fans, must submit proof of permit closure.

**Energy Upgrade California® Home Upgrade** provides assistance and incentives for home improvement projects that can reduce energy use and make homes more comfortable. This statewide program is managed locally by utilities and regional energy networks and directed by the California Public Utilities Commission in collaboration with the California Energy Commission. Funding comes from utility customers under the auspices of the California Public Utilities Commission. Incentives are offered on a first-come, first-served basis and are effective until the funding is expended or the program is discontinued. Terms and conditions apply. See program rules for details. Programs may be modified or terminated without prior notice. ©2017 Southern California Regional Energy Network. Trademarks are property of their respective owners. All rights reserved.
